

Career Campus powered by Village Virtual

www.villagevirtual.com

Do you need more JumpStart opportunities for your students as we face the uncertainties of COVID-19? Career Campus powered by Village Virtual can help you connect your students to high demand careers across many clusters and offer preparation for credentialing exams in several key industries. With more than twelve years of experience in online learning, the strength of the Career Campus model is its rigorous support for students and schools. Certified teachers and student support specialists maintain an on-going conversation with all stakeholders. Weekly progress reports, feedback, and access to student performance via easy-to-use tools support a phenomenal level of success in our new learning and credit recovery courses. Career Campus powered by Village Virtual is a company big enough to support scalability and growth. . . small enough to care about each client and each learner.
